As a GPS Navigator, you will provide a valuable service and benefit to the Naperville Area Chamber of Commerce, as well as the success of our surrounding community. You are personally familiar with the NACC and its many events and programs. You have attended several of the events listed on the “Chamber at a Glance” list below and you understand how to communicate our mission and vision statement. You are confident sharing tips on networking and how to stay informed of upcoming events.

You are also willing to make yourself available to the traveler should they request that you attend an upcoming event with them or simply answer questions in person, on the phone or via email.

You understand that the GPS Navigator is a 3-month commitment with a traveler, after which you will be assigned another traveler from the list.

If for some reason, we receive feedback from the traveler that the Navigator did not hold up to their obligations, we have the right to assign the traveler to another Navigator. A Navigator that consistently falls short of their commitments will be removed from the list of Navigators.

We are so fortunate that you have the enthusiasm to be a part of the NACC mission. It’s bold thinkers like you that make a positive impact on our community. If you agree to this commitment, please sign and date below. Again, you will be notified of your traveler within **one week** of your submission.

***You must contact your traveler within 3 days of getting partnered.***

*THANK YOU!*
