

Cut costs, not corners

For healthier Illinois Chamber
of Commerce businesses,
we're all in

Health insurance is the benefit employees request most.¹ But as many Illinois small-business owners know, it isn't easy to find quality health benefits your employees want at a price that fits your budget.

Working together with the Illinois Chamber of Commerce, the Community Chamber Program gives your small business members-only access to big-business employee health benefits at competitive rates.

Additionally, as a chamber member, your small business may receive an extra 5% savings on monthly payments. To qualify, your business must maintain an active Chamber membership.

Savings of up to
40%
on monthly payments²

A local program like this delivers:

A large provider network

Plan participants can access a robust provider network nearby and nationwide, including over 1.7 million physicians and health care professionals and more than 5,500 hospitals.³

Plans built for your business

UnitedHealthcare Level Funded health plans are designed for savings, flexibility and stability, with rates based only on your plan participants (groups 2-50 not subject to adjusted community rating). So if their medical and pharmacy claims are lower than expected, your health plan may get a potential surplus refund at year-end.⁴ Choose from a range of plan designs and benefits, like built-in pharmacy and HealthiestYou™ virtual care.

Providing more ways to save

Opportunity to save when you bundle a UnitedHealthcare specialty plan, like vision and dental with a UnitedHealthcare medical plan.

Rewards for your plan participants

UnitedHealthcare Rewards is an incentive program included in eligible employer-sponsored health plans at no additional cost. Participants may earn up to \$1,000 for completing a variety of actions.*

Support for human resources and compliance

Included as part of your UnitedHealthcare health plan, you have access to the Mineral Platform™ which may help you handle even the most complex compliance issues. The Human Resources (HR) Compliance Library allows you to search by topic and access how-to guides, checklists, sample documents and more to make sure you're following best practices. Need more personalized advice? One of their HR-certified Mineral Experts™ can give you clear, straightforward answers to your questions.
